STRATOMERCHANDISE. DIRECT MERCHANDISING FROM BAND TO FANS SINCE 1994.

**Once upon a time...**

Stratovarius made their first tour on 1994, after releasing their 3rd album Dreamspace. Their tour headed only to Japan where they had 4 shows and they felt that they should have some merchandise to sell there so they printed Dreamspace cover-t-shirts with Japanese Tourdates (all 4) printed on the backside. That was the beginning of our Stratovarius Merchandising. 2004 will be our 10th year in the merchandise business!!!

Soon after that became Fourth Dimension album and the same pattern repeated. One T-shirt motiv with the cover of the album on front and tour-dates (this time more than 4) on back. We can say that Stratovarius Merchandising took a giant step forward on 1995 when Jörg Michael became the member of Stratovarius. Not only did he bring his unique and talented musicianmanship to the band, but also his vast experties on merchandise business. And from the Episode album on, we've had the pleasure of selling very high quality merchandise with a different motivs.

We've had different kind of products over the years and not all of them have been shirts. Neclases, rings, caps, cups, stickers, lighters etc. have been a part of our Merchandise line and the future is open for new products. Let's see what kind of merchandise we will bring to you in the future.

Our first webshop saw the light of day on 1998 and in the beginning of 2003 we released our latest version of Stratoshop and E-kauppa. We have brought the shopping over Internet as easy as possible and we have received many thanks from you. Many of you have said that the shops are very easy to use and we agree. Webshops should be easy. Put the products to your shopping cart and click Checkout. Fill out the wanted information and that's it. Easy as 1-2-3.

**YOU HAVE WEBSHOPS, SO WHY THIS CATALOG?**

Over the period of times, we have learned that even though both our webshops Stratoshop (International) and E-kauppa (fans who live in Finland) are very secure and trusted and easy to use, there still are people who feel that internet shopping is not for them and they don't feel comfortable of giving their personal information over the internet. To those fans we haven't had anything to offer. Until now. Now all the fans who just don't trust the internet as a shopping scene, can do some Stratovarius Merchandise shopping with this Merchandise Catalog.

Another target audience are the fans, who for some reason can't access either Stratoshop or E-kauppa at all. All the malice and negativeness happening in the internet lately (worms, viruses etc.) have driven corporations to restrict their internet accesses and unfortunately those restrictions sometimes effects the websites such as Stratoshop and E-kauppa that have absolutely nothing to do with the issues. Seems that our 128-bit ssl-encryption is too much for some configurations and therefore our shops are unaccessible for some. Now those fans can also do Stratovarius Merchandise shopping with this Merchandise Catalog.

**WILL THIS CATALOG BE UPDATED?**

Frequently. We will use a version number in the filename so you should always check for the latest catalog version from [www.stratovarius.com](http://www.stratovarius.com). Whenever a product is sold-out we try to update the catalog and put it online. Also when we get new merchandise, we will update the catalog and put it online.

**IF I HAVE QUESTIONS, HOW CAN I REACH YOU?**

If you have any questions concerning this Merchandise Catalog or Stratovarius Merchandising, please send your questions to [complain@stratovarius.com](mailto:complain@stratovarius.com). Please remember though that we receive numerous e-mails a day so it might take a while before your e-mail is read and answered.

If you have reached this far, it is time to thank you for reading this informative page. We hope you enjoy browsing our Stratovarius Merchandise Catalog v.1.00.
